Thank you for your interest in attending the statewide HealthWatch Wisconsin 3rd Annual Conference: "**Back to Basics: The Proposed BadgerCare Plus Basic.**" Join the staff of HealthWatch, ABC for Health, and area experts as we gather in Madison February 8 & 9, 2010.

Learn. In addition to a review of the latest health reform news, we will explore the proposed BadgerCare Plus Basic buy-in program, discuss outreach and advocacy strategies for working with Wisconsin's health care consumers, and dig into issues like functional screens, new private health insurance rules, health literacy, and health disparities.

Share. Network with agencies, providers, academics, health care journalists, and legislators in a setting committed to assuring a more sufficient, competent & coordinated public health workforce.

Connect. Participants will be encouraged to visit the capitol over their lunch break to meet with legislators, or take advantage of the central location—close to many state agencies and offices. Together we can focus and amplify statewide efforts to connect people to health care & coverage.
