

Next Steps: Finishing Your BadgerCare Plus Application

Did you just sign up for health insurance?

If you applied for BadgerCare Plus or Medicaid through Health Reform's Marketplace on the [HealthCare.Gov](https://www.healthcare.gov) website or with the Call Center by phone...

You're not done yet!

You might see results right on the [HealthCare.gov](https://www.healthcare.gov) website that say you "may be eligible" for BadgerCare Plus.

Here's what to watch for next:

[HealthCare.Gov](https://www.healthcare.gov) will send your information to the state of Wisconsin, which will send your information to your County Human Services Agency.

You may have to provide your County Human Services Agency with additional information.
(See other side for contact information.)

Because BadgerCare Plus is different from Marketplace coverage, you'll have to provide answers to additional questions with proof to finish your application.

What type of information?

You may be asked to submit paystubs or documents that show your income, information on citizenship or immigration status, information on any access to your job-sponsored insurance that your children may have, or other items of proof.
