

Stories of the ACA's Impact

“Without the ACA, my adult son would have no insurance...He has struggled with mental illness and isn't able to work...He finally has insurance and doesn't feel like a burden. Now he is afraid of losing coverage.”

Nancy, Grantsburg

“I'm a 10 year breast cancer survivor...the pre existing conditions clause and cap on lifetime limits...protect me.”

Pam, Sun Prairie

“A lot of people will die because they can't get insurance.”

Shawna, Fitchburg

“If they take away pre-existing [conditions protections]...it would be more than I'm paying now and nothing would be covered.”

Carey, Eau Claire

“Both my sister and nephew are type 1 diabetics and have no access to any employer health insurance. Without [the Marketplace]...they would pay for all insulin, syringes and testing supplies or face illness and even more expense.”

Ann, Janesville

“The ACA helped me get insured when I had an operation...and helped me [after] the surgery.”

Marlene, Madison
