

Lifeline

You may be eligible for a FREE cellphone!

The Lifeline program offers discounts on landline phone service -or- a free cell phone!

Who is Eligible?

- People on public benefits (like Medicaid!)
- People with less money
- People on certain tribal programs
- People who don't already have Lifeline

How Do You Apply?

First, pick a phone company that you like! The company must offer Lifeline services and be in your area, or be a cell phone provider that offers Lifeline services.

Next, ask them for a Lifeline application. Fill out the form, then return it to the company!

Once approved, your company will apply the Lifeline discounts towards your existing phone bill for your landline phone - OR - will ship you a cell phone with minutes pre-loaded!

How does Lifeline work?

The program can help lower the cost of your landline phone bill -OR- can connect you to a free cell phone!

What are the phone covered services?

Lifeline discounts on landline phones cover:

- Home phones
 - 120 local calls
 - Emergency calls
 - Other fees listed on your phone bills
- OR -

Lifeline could connect you to a FREE cell phone instead. The cell phone comes pre-loaded with minutes. More minutes are added each month!

Why is Lifeline important?

Lifeline keeps you connected to healthcare!
With Lifeline, you can:

- Apply and keep health care coverage
- Make doctor appointments & renew prescriptions
- And more!

Made possible by the Public Service
Commission of WI - Universal Services Fund.
